

## CAPS INFO

We are thrilled to share some wonderful news with you! Our after-school program has officially been approved for CAPS (Childcare and Parent Services). This means that families who are eligible for CAPS can now use their benefits to cover the cost of our program, making it more accessible than ever.

### **Next Steps:**

Contact your case manager and let them know that you want to change your provider.

You can provide them with the attached rate sheet for our program.

If you have access to your portal at <https://m.gateway.ga.gov/home>, you can login, report a change, and upload the rate sheet.

If you have questions about how to apply CAPS benefits to our program or need any assistance, contact CAPS at 1-833-442-2277.
