Roll, Tumble & Shine!

This 8-week program builds skills, confidence, and creativity to strengthen Forest Park Cheer through playful challenges and exciting tumbling combinations!

Beginner | Ages 3-6: Explore rolls, handstands, cartwheels, bridges, and round-offs while building strength, flexibility, and readiness for walkovers.

Intermediate/Advanced | Ages 7-12: Level up with walkovers, back handspring progressions, and creative standing and running tumbling combinations—based on each athlete's readiness.

Big Energy. Strong Foundations. Major Confidence!

ABOUT YES!

Youth Enrichment Services (YES!) is a nonprofit organization that brings fun, high-quality enrichment experiences directly to youth. Our Dance & Tumbling program combines skill-building, movement, music, and creativity in an encouraging environment where every child can learn, build confidence, and have fun!

At the end of the session, students get their moment to shine during our SWAG Performance—celebrating what they've learned with family and friends!

Let's Move Together!
